# **What is the Quality Enhancement Plan (QEP)?**

The QEP is an institutional plan for enhancing educational outcomes and/or student success at Louisiana Tech University is developed based on assessment data.

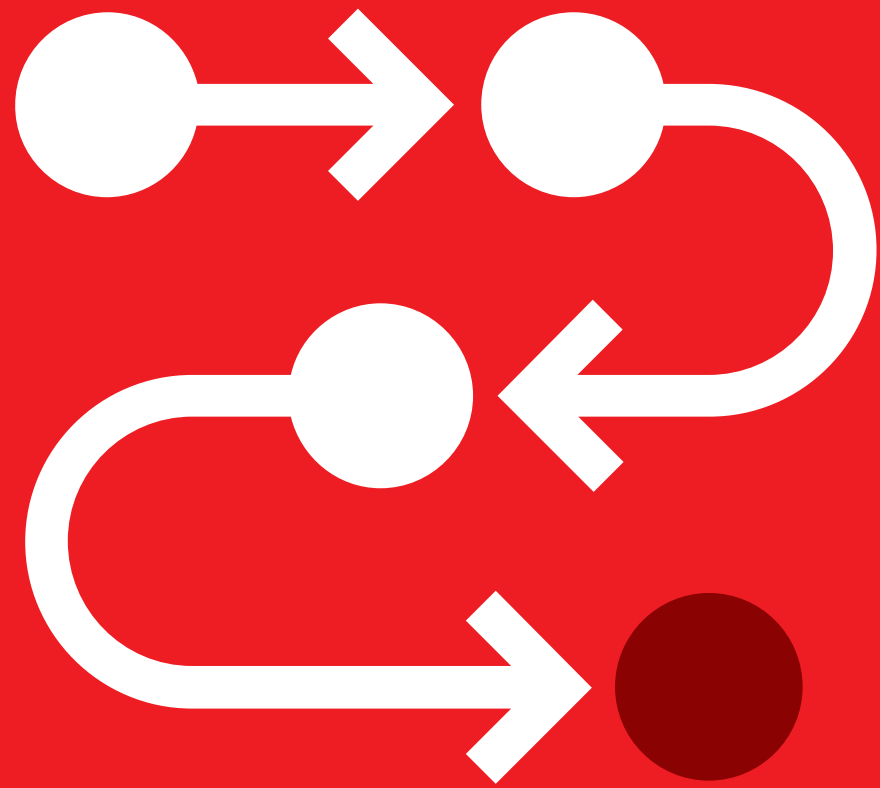

# Why do we need a plan?

- Evaluate current processes on campus
- Proactive investment in opportunities for students
- University Accreditation

# **University Accreditation**

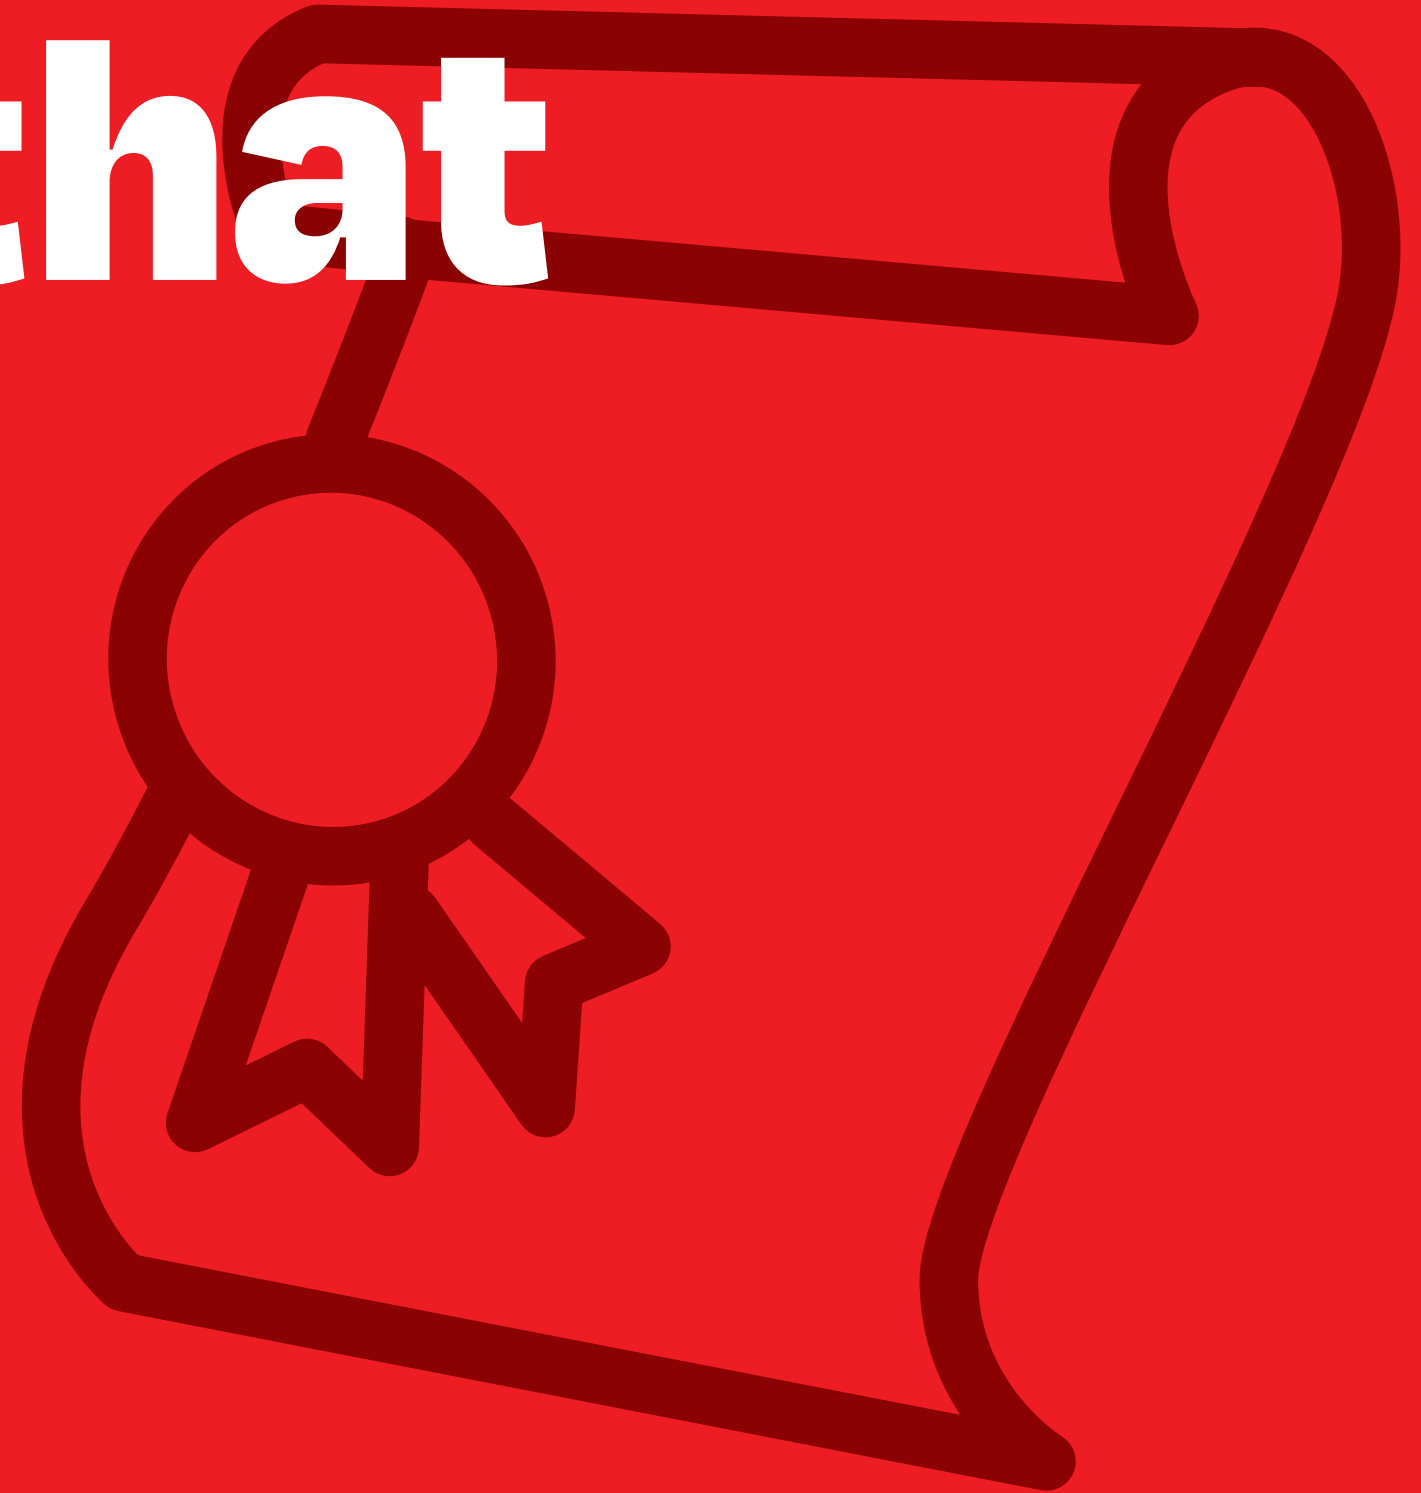

Southern Association of Colleges and  
Schools Commission on Colleges (SACSCOC)

**The QEP is  
part of this  
process**

**Degrees that  
matter!**

**What have we  
done so far?**

# Starting Spring 2022...

- University Survey
- Dialogue Teams
- Student focus groups
- Faculty/Staff focus groups

Revealed the number one priority for improving student success on campus.
